

*Do you love flowers and gardening
and would you like to get acquainted
with others who have the same
interests?*

Join a Garden Club

And

*.....Take advantage of programs and
classes in gardening, landscape design,
environmental education and flower
arranging sponsored by the garden
club.*

And

*.....Discover what grows best in your
kind of soil, how to fertilize and
maintain healthy plants.*

And

*.....Enjoy the thrill of showing your
prize plants and floral arrangements
at flower shows and exhibits.*

And

*.....Profit from the experience of
experts, getting new ideas for outdoor
planting to complement your home
and neighborhood.*

***Membership is the key to
personal enrichment.***
